Dual Bay Home Media Store

If you don't need high-tech complicated NAS settings but just a simple home storage sharing solution the Grab'n'GO Home Media Store is the solution! Imagine you have more than one computer at home and you are constantly synchronizing your 'Documents' to keep up and running no matter which computer you are using at home. Stop this time consuming activity and share and store everything on one single location within your (wireless) network! Easily connect it to your (wireless) router and make all files (documents, movies, music, photo's etc.) accessible for the whole family. Besides this you can easily stream music, photos and movies from the CH3ENAS through compatible media players to your TV or monitor and watch, listen and enjoy this content in your (living) room!

Highlights
